

## FILE IMPORT, NESTING, CUTTING & PACKAGING OF NET PIECES

### Methods of Import - 3D & 2D Capability

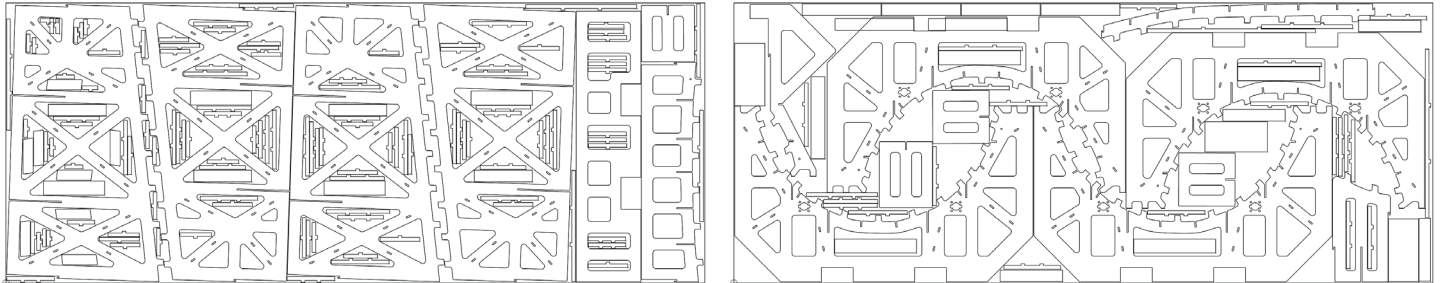

- CATIA
- STEP
- DXF
- DWG
- IGES

### Unfolding 3D Parts

### Efficient Nesting Algorithms

### Net Shape Cut Profiles

- Tight tolerance cutting to meet exact customer requirements
- Waterjet, Plasma & Laser
- Beveled edge, Punch & Drill

### Packed for Transport

- Professional packaging
- Domestic & International
